

ANNUAL PROGRESS REPORT

FINANCIAL YEAR : 2019-20

AGRICULTURAL TECHNOLOGY MANAGEMENT AGENCY (ATMA), BOKARO

Combined District Agriculture Office Building, Chas, Bokaro. 827013

Ph – 06542-265306

Web : www.atmabokaro.org.in, Email : atmabokaro@gmail.com

FOREWORD

Under the new Agricultural extension policy framework of the Ministry of Agriculture, Govt. of India, Strategic Planning and its implementation of agricultural sector extension programmes through a ATMA Model agencies is being advocated under Centrally Sponsored Scheme 'Support to State Extension Programmes for Extension Reforms'.

The Extension Reforms Project of the Govt. of India is a bold initiative in this direction. This has achieved success due to active participation of farmers and planning of programme based on farmer's needs & perceptions. ATMA Model is based on Strategic Research and Extension Plan (SREP) involving farmers as partners in the programme planning and its Execution. Transfer of improved farm technologies at a

faster pace for adoption will need concerted and mission mode efforts. ATMA, Bokaro has facilitated farmer's acceptance of new innovations in the Agriculture sector through training and motivation involving a participatory approach.

The Bokaro district of Jharkhand has also focus on agricultural development to boost the farmer's economy through district level ATMA agencies. Infrastructure development of agency, human resources development, skill up gradation of farmers and extension functionaries by ATMA, Bokaro through training, exposure visit & motivation will help in bringing changes in the existing set up.

The present report highlights the activities of "ATMA", Bokaro for the year 2019-20. Major emphasis of ATMA during the years has been:

- 1 Creating awareness among field functionaries and stakeholders through farmers oriented activities on agricultural extension management.
- 2 Strengthening Research Extension linkages through farmer's participatory approaches.
- 3 Bringing out publications for farmers & extension personnels.
- 4 Improving linkages between various institutions/ organizations.

Sincere and dedicated efforts of Sri Rajan Kumar Mishra, I/C Deputy Project Director, ATMA, Bokaro & Sri Sumit Kumar Singh, Computer operator, ATMA, Bokaro in all activities of ATMA is gratefully acknowledged.

(Rajiv Kumar Mishra)
Project Director
ATMA, Bokaro

Background Information

Prior to ATMA Model system prevailing in different districts of Jharkhand the area of technology dissemination was :

- The technology available at the state level was in operation at district level also.
- Training of farmers was not demand driven.
- Not much work on group activities.
- Not much research-extension linkages.
- Paucity of funds was a major problem.
- Practically not much awareness on the "Use of IT" in technology transfer.
- Not much concern on food and nutritional security.
- Training & visit system was not successful.
- Approach was crop based & not system based.
- No work on institution build up.
- Not much emphasis on capacity building & skill up gradation.
- Not much linkage with local institutions involved in technology transfer.

Above aspects or limitations still exist in the Bokaro-Kharsawan District. However, with the intervention of ATMA some improvements are visible.

Need to Reforms

Considering the acute rural poverty in the district and peoples dependence on agriculture for livelihood, the emerging need to bring about policy reforms was felt to make the system farmer friendly and farmer receptive. Some of the priority issues which were considered are :

- i. It is now recognized that public extension services (KVK and Govt. Department etc.) alone can not meet the specific needs of the region and different classes of farmers. Policy reforms to promote private extension services

(FO, SHG, FIG, contact farmers, agriclinics & input providers etc.) to supplements the public extension service need to pursued.

- ii. Role of Mass media & IT, FIACs etc. is being increasingly appreciated.
- iii. Promotion of a farmer participatory approach for system discription, problem diagnosis, implementation, monitoring, evaluation & feedback will bring about improvement.
- iv. Promotion of demand driven and farmer accountable extension will be meaningful Marketing rather than production is a major constraint in enhancing farm income. Thus their should be increasing thrust on marketing extension.
- v. Inter disciplinary approach in solving farmers problems should be followed.
- vi. SREP prepared for district through PRA involving line departments, KVK to make it meaningful.
- vii. Field extension functionaries should work as farm advisors with B.Sc.Aгри/B.V.Sc./B. Sc. in allied subject as the minimum basic qualification
- viii. "ATMA" concept should be propagated for multidisciplinary & location specific problems solving approach based on SREP.
- ix. Research-extension farmers linkages needs considerable strengthening. Linkage of "ATMA" with KVK (ICAR), SAU should be stronger.
- x. Women empowerment and skill up gradation of farmers should be priority issues.
- xi. At district level training institute such as 'ATMA' should be develop and strengthened for capacity building of extension functionaries/farmers

About ATMA

Agricultural Technology Management Agency (ATMA) is a registered society of key stakeholders involved in agricultural activities for sustainable agricultural development in the district. It is a focal point for integrating research and extension activities

and decentralizing day-to-day management of agricultural education system. This is an autonomous institution with participation of all the key stakeholders involved in agricultural activities for sustainable agricultural development. It has the flexibility to receive funds directly (Government of India /States), Membership fees, beneficiaries contribution etc.)

ATMA has the main responsibility of all the technology dissemination activities at the district level. It has linkages with all the line departments, research organizations, non-governmental organizations and agencies associated with agricultural development in the district with a substantial representation of farmer organizations. Research and extension units within the district, such as KVKs, ZRSs, Department of Agriculture, Horticulture, Animal Husbandry, Fisheries, Dairy, Panchayati Raj, Sericulture, and Marketing etc. are constituent members.

ATMA is an autonomous institution set up at district level to ensure delivery of extension services to farmers. ATMA Governing Board is the apex body of ATMA which provides overall policy direction. ATMA GB will be assisted by the District ATMA Cell comprising PD ATMA, Dy. PDs and Staff in the discharge of its functions. ATMA Management Committee is the executive body looking after implementation of the scheme. District Farmers Advisory Committee is a body to provide farmer's feedback for district level planning and implementation. With dedicated staff provided for the ATMA, it will continue to be the district level nodal agency responsible for overall management of agriculture extension system within the district, including preparation of Strategic Research and Extension Plan (SREP).

At the Block level, two bodies viz. Block Technology Team (BTT) (a team comprising officers of agriculture and all line departments within the block) and Block Farmers Advisory Committee (BFAC) (a group exclusively consisting of farmers of the block) shall

continue to function jointly (with the latter providing farmers' feedback and input). BFACs shall represent Farmer Interest Groups (FIGs) / FOs existing within the block on rotation basis to advise the BTT. The Block ATMA Cell consisting of these two bodies, Block Technology Manager and Subject Matter Specialists will provide extension support within the Block, through preparation and execution of Block Action Plans (BAPs).

The Farmer Friend (FF) will serve as a vital link between extension system and farmers at village level (one for every two villages). The FF will be available in the village to advise on agriculture and allied activities. The FF will mobilize farmers' groups and facilitate dissemination of information to such groups, individual farmers and farm women directly through one to one interaction individually or in groups and also by accessing information / services on behalf of farmers as per need through Common Service Centres (CSC) / Kisan Call Centres (KCC). Wherever available under their respective Schemes, Agri-entrepreneurs will supplement the efforts of extension functionaries by making quality inputs available to the farmers and by providing them critical technical advice. Farm Schools will serve as a mechanism for farmer-farmer extension at 3 to 5 focal points in every Block.

Participatory Bodies :

The following participatory bodies shall be set up at various levels in the State.

State Level :	Inter- Departmental Working Group (IDWG) SAMETI Executive Committee State Farmers Advisory Committee (SFAC)
District Level :	ATMA Governing Board ATMA Management Committee District Farmers Advisory Committee (DFAC)
Block Level :	Block Technology Team (BTT) Block Farmers Advisory Committee (BFAC)

Process Flow for Action Plans:

SREP is a comprehensive document identifying research/ extension priorities for district, keeping in mind agro-ecological conditions and existing gaps in technology generation and dissemination in all agriculture and allied sector areas/ activities.

SREPs will be prepared for new districts in

coordination with the line departments, Krishi Vigyan Kendras (KVKs), Panchayati Raj Institutions (PRIs), Private Sector, farmers and other stake-holders at the district level.

- These SREPs shall be revisited after every five years to accommodate newly identified gaps and emerging areas of importance.
- SREPs will form the basis for formulation of Block Action Plans (BAPs) on an annual basis. Block Action Plans are then consolidated at the District level to prepare the District Agriculture Action Plans (DAAPs).
- District Plans are worked out in such a manner that these serve as subset of the Comprehensive District Agriculture Plans (CDAP) prepared for the District under (Rashtriya Krishi Vikas Yojana (RKVY).
- The DAAPs will be consolidated in the form of State Extension Work Plan (SEWP) which then forms a part of State Agriculture Plan (SAP).

Cafeteria of Activities

Besides the essential component of dedicated manpower, a Cafeteria of Activities has been prepared and placed at Annexure-II. The States may choose locally suitable activities from the Cafeteria. Keeping in view the availability of funds, the expenditure has to be optimized to support a limited percentage of activities out of the Cafeteria to be performed in a given year. This gives requisite flexibility to the States to prioritize their activities.

OVERALL OBJECTIVES OF ATMA

- To identify location specific needs of farming community for farming system based agricultural development;
- To set up priorities for sustainable agricultural development with a Farming Systems Approach;
- To draw plans for production based system activities to be undertaken by farmers/ultimate users;

To execute plans through line departments, training institutions, NGOs, farmers organizations and allied institutions;

- To coordinate efforts being made by various line departments, NGOs, farmers organizations and allied institutions to strengthen research extension-farmers linkages in the district and to promote collaboration and coordination between various State funded technical departments;
- To facilitate the empowerment of farmers/producers through assistance for mobilization, organization into associations, cooperatives etc. for their increased participation in planning, marketing, technology dissemination and agro-processing etc.
- To facilitate market interventions for value addition to farm produce;

ATMA has established a Farm information and advisory center (FIAC) at each block in the district. These are supported by two groups: -One is a group of technical officers of different functional area termed as Block Technology Team (BTT) whereas another is a Farmers advisory Committee (FAC) exclusively of farmers. While BTT develops the Block Action Plan (BAPS) in light of the SREP and responsible its implementation.

Commodity interest Groups (CIGs) are presented at block/ village level to make the technology generation/ dissemination farmer driven and farmer accountable. These village level CIGs are ultimately Federated at Block/District level FIAGs and G.B.

Farming System Approach

The activities specified in the Cafeteria are broad enough to ensure extension delivery consistent with farming system approach and extension needs emerging through strategic Research Extension Plans (SREPs).

Farming System

Experience gained under NATP (Farmer

Participatory Research) outline the need for several farming options. This will make the farm household self sufficient. Enterprise diversification will increase income, minimize risks and improve diet of farm families. ATMA Model has strengthened the Research-Extension farmers linkages. Success have been achieved & documented by ATMA functionaries in the states during the past 7-9 years. Some of the possible farming system options for the Bokaro-Kharsawan district besides agriculture & animal husbandry are:

Rice-Fish Farming

- Rich –Fish-Duck Farming.
- Rice-Fish-Pig Farming.
- Rice-Poultry Farming
- Rice-Mushroom
- Sericulture-Vegetable cultivation-Apiary.
- Vegetable –Floriculture-Apiary
- Field crops-Poultry-Fish Mushroom
- Fruit Crops –Vegetable-Apiary.
- Rice-Vegetables-Apiary.
- Maize-Pulse-Poultry /Cattle.

Training Needs Identified under ATMA Model

- Long term training plan to be drawn based on skill gap analysis

- Priorization of farmers problems through PRA at various levels.
- Group formation & group approach in extension.
- Entrepreneurship development for agri-clinics & agri business.
- Operationalisation of Farmer interest groups.
- Market-network for agricultural & horticultural produce.
- Mass Media for technology dissemination.
- WTO & its implications.
- Database creation for location specific action plan.
- Improved communication of techniques.
- Addressing gender concerns.
- Increased role of IT in agriculture.

Long Term Researchable issues

- Measures to increase cropping intensity under different land situations.
- Rainwater management strategies for drought alleviation.
- Farming system approach under rice based system.
- Participatory varietal selection for crop improvement.
- Integrated plant nutrient managements systems for rainfed uplands & lowlands.
- Developing sustainable Fruit/vegetable based cropping systems.
- Agro techniques for Fruits & vegetable preservation & processing.
- Watershed development involving active participation of farmers.
- Improved post harvest management of corps.
- Farm mechanization with special emphasis on small & marginal farmers.
- Rice based agro-forestry systems.
- Medicinal plants – conservation, management, processing techniques.
- Live stock production & nutrition.
- Research on piggery, Goatary, Sericulture and Lac culture using farmer participatory approach.

Multi-agency extension strategies

Minimum 10% of allocation on recurring activities at district level is to be used through non governmental sector viz. NGOs, Farming Organization (FOs), Panchayati Raj Institutions (PRI) xtension workers, agripreneurs, input suppliers, corporate sector etc. ATMA scheme also provides that maximum service charge of 10% of actual cost of implementation of

extension activities approved by ATMA, GB may be provided to Agri-Clinics, NGOs, etc. (excluding the Corporate sector) wherever these activities are implemented through them.

Mainstreaming Gender Concern

Women farmers play a very significant role in farming operations. With a view to provide necessary extension support, minimum 30% of programmatic funds under ATMA scheme are to be utilized for the benefit of women farmers.

Sustainability of Extension Services

With a view to ensure sustainability of extension services, it is mandated that minimum 10% contribution should be realized from beneficiaries with respect to beneficiary oriented activities. National Institute of Agricultural Extension Management

(MANAGE) has been assigned nodal role to provide needed HRD and hand holding support in implementation of ATMA scheme. At state level, a State Agricultural Management and Extension Training Institute (SAMETI) is being promoted either by strengthening one of the existing apex training institute in the state.

Capacity Building of Extension Functionaries

A one-year PG Diploma in Agriculture Extension Management for government extension functionaries of the district is being launched by MANAGE in Hyderabad through distance learning mode.

SAMETI, Jharkhand identity as study centre for Jharkhand state.

Use of Mass Media

Community Radio Stations (CRS) could make a major contribution to agricultural extension to reach farmers by utilizing radio transmitter and disseminating information and knowledge, which is locally produced and relevant. A new initiative is being taken to support setting up of the CRS under the scheme

Monitoring and Evaluation of SEWPs

Project activities at district level are monitored by the ATMA Governing Board at periodic intervals. At state level, the project is monitored through an Inter Departmental Working Group (IDWG) functioning under Chairmanship of Secretary (Agriculture) of the state. The monitoring mechanism includes quarterly reports, field inspections, workshops, etc. Third party Monitoring and Evaluation is also to be organized as a state level activity. A simplified Electronic Monitoring System (EMS) has been developed and operationalized through NIC for monitoring of the scheme at all levels. The DAC will also organize concurrent Monitoring and Evaluation, including impact evaluation at periodical intervals.

ATMA, BOKARO - STEP A HEAD

Constitution of ATMA Governing Board

The ATMA Governing Board (GB) is a policy making body which provides guidance, reviews & steers the progress and functioning of the ATMA.

In pursuance of Notification issued by Joint Director (Extension Reforms, Jharkhand), of Department of Agriculture, Cooperation & Farmers Welfare Govt. of Jharkhand vide letter no. F.No.9-4/2018-AC dated 10.06.2019. The following members were hereby notified for ATMA Governing Board, Bokaro under the project "Support to the State Extension Programme Extension Reforms". Vide Notification letter no. 592 dtd. 18.06.2019

Sl. No.	Name	Designation
1.	D. C., Bokaro	Chairman
2.	District Agriculture Officer, Bokaro	Member
3.	Representative of Zila Parishad	Member
4.	District Fishery Officer, Bokaro	Member
5.	District Horticulture Officer, Bokaro	Member
6.	Dist. Animal Husbandry Officer, Bokaro	Member
7.	Programme Coordinator, KVK, Bokaro	Member
8.	LDM, Bokaro	Member
9.	Representative from District Industrial Centre.	Member
10.	Representative from Agriculture Marketing Board.	Member
11.	Representative from DRDA	Member
12.	One Farmer representative	Member
13.	One Livestock Producer.	Member
14.	One Horticulture Farmer	Member
15.	One Representative of Women Food Security Group	Member
16.	One Representative of FIG/CIG	Member
17.	One SC/ST farmer representative	Member
18.	A representative of NGO working in Agriculture/Allied Sector	Member
19.	Representative of input supplying Association	Member
20.	A representative of trained input dealers who is also providing extension services.	Member
21.	Representative from companies availing tax benefit u/s 35CCC (if available)	Member
22.	One farmer representative from Fisheries/ Sericulture sector	Member
23.	Project Director ATMA	Member Secretary,

Constitution of AMC

The ATMA Management Committee would be responsible for planning & education of day to day activities of ATMA.

In pursuance of Notification issued by Joint Director (Extension Reforms, Jharkhand), of Department of Agriculture, Cooperation & Farmers Welfare Govt. of Jharkhand vide letter no. F.No.9-4/2018-AC dated 10.06.2019 the following members were hereby notified for ATMA MANAGEMENT COMMITTEE (AMC), Bokaro under the project "Support to the State Extension Programme Extension Reforms Vide Notification letter no. 592 dtd. 18.06.2019

Sl.	Name	Designation
1.	District Agriculture Officer, Bokaro	Chairman
2.	Project Director ATMA	Co-Chairman
3.	District Horticulture Officer, Bokaro	Member
4.	District Animal Husbandry Officer,	Member
5.	District Fishery Officer, Bokaro	Member
6.	Training Organizer, K.V.K., Bokaro	Member
7.	Project officer, District Rural Development Agency.	Member
8.	One representative of Farmers Organization Promoted by an NGO	Member
9.	Representative of NGO, if any involved in agricultural extension	Member
10.	District level NABARD officer	Member
11.	Lead Bank Officer	Member
12.	A representative of trained input dealers who is also providing extension services.	Member
13.	Two progressive farmers (one of whom should be a woman) (nominated from DFAC)	Member
14.	Two Deputy Project Directors (of which one will be nominated as member Secretary)	Member Secretary,

Constitution of BTT

The Block Technology Team (BTT) is an interdepartmental team of Agriculture & Line departments operating at block level.

The key functions of BTT would be Operationalize the SREP in each block and move towards single window extension system, Help district core team in up-gradation of SREP, Prepare Block Action Plan detailing extension activities to be undertaken,

Coordinate the implementation of extension programmes detailed in the Block Action Plan, Facilitate formation of FIGs/ FOs at the block level and below, Support ATMA Management Committee in discharging its function by providing inputs related to the Block, Facilitate planning and implementation of Farm Schools in all major sectors in the Block. The Block Technology Team (BTT) shall meet every month to review the progress and report the same to ATMA Management Committee

4	Block level Kishan Mela	Babudih, Chas	27.02.2020	11	280

CONVERGENCE TO EXTENSION WORK BY ATMA BOKARO

Convergence of Manpower:

With the given man-power support, ATMA's will also look after the work related to RKVY, NFSM, National Project on Soil Health and Fertility Management etc. as mandated under respective schemes. There should be full convergence of extension related work being carried out under different programmes/ schemes.

The field level extension workers under these different programmes/schemes should work in conjunction with the dedicated manpower being provided under this Scheme under the umbrella of BTT or ATMA, as the case may be. While these extension related workers & consultants under other schemes/programmes can continue to act as experts in their respective fields, they should also double up as multifunctional extension workers in the jurisdiction to be assigned to them by the BTT/ ATMA. Budget for extension related components in different schemes and programmes of DAC shall be dovetailed at district level through ATMA. Once all the extension related workers start working in unison, they shall be fully responsible for achieving convergence & synergy in extension related work under RKVY, NFSM, National Project on achieving Soil Health & Fertility to achieve complementarity and check duplication of efforts and resources.

Convergence with Research System:

Extension Reforms provides for active involvement of Research System/ Research Agencies at different levels of implementation. State Agricultural Universities (SAUs) and Krishi Vigyan Kendras (KVKs) have to be fully involved not only in preparation of SREP and Extension Work Plans but also in implementation of various programmes in the field. They will be represented in all bodies, namely, ATMA GB and ATMA MC in districts, SLSC/ IDWGs at State level, BTT - BFAC Meetings at Block level and in the Policy Committee at the national level. In addition, each KVK scientist may be made in charge of one or more Blocks within the district. The KVK

Scientist will technically advise the BTT and will also be actively involved in preparation of BAPs, especially with regard to research related issues/ gaps and strategies. He will also take feedback for his colleagues in the KVK in respect of their respective areas of expertise. Detailed Guidelines for achieving effective Research - Extension – Farmer Linkages.

Convergence with Development Departments:

Necessary convergence with all line departments is to be ensured through their involvement in the process of preparation of SREP and Work Plans at Block, District & State levels. Work Plans to be submitted to SLSC for funding under the Scheme should explicitly specify activities to be supported from resources of other schemes and those proposed under ATMA Programme. Moreover, necessary convergence is to be ensured through integration of CDAPs and District Agriculture Action Plans (DAAPs) – all of which will form an integral part of State Agriculture Plan to be approved by State Level Sanctioning Committee (SLSC) under Rashtriya Krishi Vikas Yojana (RKVY). In addition, the Scheme also provides for active involvement of Panchayati Raj Institutions (PRIs) in the selection of beneficiaries for various farmer oriented activities, including selection of Farmer Friend.

Convergence with & Involvement of Non-Governmental Sector:

In order to ensure promotion of multi-agency extension strategies, and to implement scheme

activities in Public-Private-Partnership (PPP) mode, a minimum 10% of scheme allocation on recurring activities at district level is to be incurred through Non-Governmental Sector viz. NGOs, FOs, PRIs, cooperatives, para-extension workers, agri-preneurs, input suppliers, corporate sector etc. The non-governmental implementing agencies will be eligible for service charge with a ceiling of 10% of the cost of extension activities (but no staff cost) implemented through them. The Extension Work Plan involving non-governmental agencies may be prepared at the State level and approved by SLSC/ IDWG, without having to obtain recommendation of the BTT/ FAC and approval of ATMA, GB concerned. After SEWP has been approved by the SLSC, the State level functionaries shall facilitate necessary coordination between the non-governmental partner and ATMA institutions at the district level so that approved activities are implemented expeditiously. Funds to Non-Governmental Sector partner may also be released at the State level, at the discretion of the SLSC/ IDWG. Necessary funds for the purpose may also be retained at the State level.

SKILL TRAINING OF RURAL YOUTH (STRY)

Skill Development of Rural Youth is a flagship scheme of the Government. The Ministry of Agriculture & Farmers Welfare, Govt. of India, in compliance with National Policy on Skill Development & Entrepreneurship 2015, has taken the initiative to implement the Skill Development Component, namely Skill Training of Rural Youth (STRY) & Farmers Capacity Assessment & Certification (FCAC) under Sub-Mission on Agricultural Extension (SAME) of National Mission on Agricultural Extension & Technology (NMAET) during 2015-16 and remaining period of XII Plan.

National Institute of Agriculture Extension Management (MANAGE), Ministry of Agriculture & Farmers Welfare at National level will coordinate this activity through SAMETIs established at State level.

The training activities will be implemented through SAMETIs at State level & coordinated through ATMA at District level. The SAMETI will organize the Certification process through the Vocational Training Institutions / Krishi Vigyan Kendras / Nehru Yuva Kendras etc.

Training Programme on

" Horticulture (Protected Cultivation of high value vegetables)"

05-11 August, 2019 (First Batch) Organized by ATMA, Bokaro.

Venue : Combine District Agriculture Building, Chas, Bokaro.

Diploma in Agricultural Extension Services for Input Dealers (DAESI)

Agri-Input Dealers in the country are a prime source of farm information to the farming community, besides the supply of inputs and credit. However, majority of these dealers do not have formal agricultural education. In order to build their technical competency in agriculture and to facilitate them to serve the farmers better and to act as para – extension professionals, National Institute of Agricultural Extension Management (MANAGE) has launched a self-financed “One-year Diploma in Agricultural Extension Services for Input Dealers (DAESI) Program” during the year 2003 with a course fee of Rs.20, 000/- to the input dealers. Due to positive impact of the program, Ministry of Agriculture & Farmers' Welfare, Government of India has decided to implement this program for Input dealers in all the States of the country.

The program will be implemented by MANAGE through State Agricultural Management and Extension Training Institutes (SAMETIs). The Department of Agriculture and Cooperation & Farmers' Welfare (DAC & FW), GoI, will subsidize the course fee (50%) to the extent of 10,000/- per Input dealer. However, where Agribusiness companies are involved, the company will contribute Rs.10, 000/- and the balance Rs.10, 000/- will be contributed equally by DAC and Input Dealer @ Rs.5000/- each.

The technical information is delivered through Contact Classes by Agricultural Experts & Practitioners at district level on Sundays or Market holidays for 48 days including field visits spread over a year. Details of program is available in the guidelines

Mission

To transform practicing input dealers into para-extension professionals thereby strengthening the agricultural extension system so as to enable these input dealers to serve the farmers better.

Objectives

- Orientation of input dealers on location-specific crop production technologies of broad-based agriculture with reference to field problems.
- Building the capacity of input dealers in efficient handling of Inputs.
- To impart knowledge about the laws governing regulation of agricultural Inputs.
- To make input dealers an effective source of farm information at the village level (one stop shop) for the farmers.

Organized by ATMA, Bokaro.

Venue : Combine District Agriculture Building, Chas, Bokaro.
